

# **S&P Dow Jones Indices and Taiwan Futures Exchange Jointly Launch Taiwan's First RMB Futures Indices**

## **S&P/TAIFEX RMB Index Family Launched**

**TAIPEI, MAY 7, 2018:** S&P Dow Jones Indices ("S&P DJI"), the world's leading index provider, and Taiwan Futures Exchange ("TAIFEX"), today announced the launch of the S&P/TAIFEX RMB Indices, the first of its kind in the market, to track listed renminbi (RMB) futures in Taiwan.

As the first S&P/TAIFEX co-branded indices to be launched, the S&P/TAIFEX RMB index family is comprised of the [S&P/TAIFEX RTF RMB Index](#) and the [S&P/TAIFEX RHF RMB Index](#). These indices seek to track the performance of the inverse of the nearest quarterly month RTF or RHF futures contract traded on the TAIFEX, reflecting the numbers of US dollar per offshore RMB for Taiwan/Hong Kong.

**Tianyin Cheng, Director, Strategy and ESG Indices, at S&P Dow Jones Indices** said, "We are excited to launch Taiwan's first RMB futures indices in collaboration with the Taiwan Futures Exchange. The launch of the S&P/TAIFEX RMB index family provides market participants with more diversified market benchmarks that enable more effectively management of exposure to Yuan currency risk."

**Chao-Shun Yang, Executive Vice President from Taiwan Futures Exchange** said, "As we see more demand for diverse and innovative products from the investors in Taiwan, we are very pleased to have partnered with S&P Dow Jones Indices to launch the new futures indices. We look forward to further expanding opportunities for Taiwanese investors."

## ABOUT S&P DOW JONES INDICES

S&P Dow Jones Indices is the largest global resource for essential index-based concepts, data and research, and home to iconic financial market indicators, such as the S&P 500® and the Dow Jones Industrial Average®. More assets are invested in products based on our indices than products based on indices from any other provider in the world. Since Charles Dow invented the first index in 1884, S&P DJI has been innovating and developing indices across the spectrum of asset classes helping to define the way investors measure and trade the markets.

S&P Dow Jones Indices is a division of S&P Global (NYSE: SPGI), which provides essential intelligence for individuals, companies, and governments to make decisions with confidence. For more information, visit [www.spdji.com](http://www.spdji.com).

## ABOUT Taiwan Futures Exchange

Taiwan Futures Exchange (TAIFEX), established in 1997, provides a wide range of products, including stock index futures and options, interest rate futures, single stock futures, equity options, gold futures and options, and currency futures and options. TAIFEX has continuously enhanced its technology and services in trading, clearing and settlement to ensure a fair and orderly marketplace. With a vision to be a world-class exchange befitting the fast-evolving marketplace, TAIFEX is poised to extend its global reach and stands as a primary derivatives exchange in Asia. For further details, please visit TAIFEX website at [www.taifex.com.tw](http://www.taifex.com.tw).
